

BRIGHT FUTURE COMMUNITY CENTER IN NEPAL IS A CHARITY SUPERVISED BY THE ROTARY CLUBS OF YARRA BEND & PASHUPATI (NEPAL)

Funds are raised from donations and the sales of bric-a-brac at markets. All the money raised is spent on projects in Nepal. No money is spent on administration. Your donation goes a long way in Nepal and can provide help to many families. If you wish you can nominate the area in which you would prefer to spend your money.
